Grand Knight's Report.....

Welcoming the Holiday Season:
A Time for Brotherly Love and Faith

As the holiday season approaches, a special warmth begins to fill our hearts and homes. The twinkling lights, joyful music, and cherished traditions remind us that this time of year is about far more than festivities and gifts. It is a season that invites us to embrace brotherly love, strengthen our faith, and celebrate the blessings that unite us as family, friends, and communities.

The holidays offer a unique opportunity to slow down and reflect on what truly matters. In a world that often moves too quickly, we are reminded to reach out to one another with kindness, compassion, and understanding. Brotherly love is expressed not only through grand gestures but also through simple acts of generosity: sharing a meal, offering a helping hand, or spending time with someone who may feel alone. These moments create lasting memories and reinforce the bonds that connect us.

Faith serves as a guiding light throughout the holiday season. For many, this time is a celebration of hope, gratitude, and God's enduring love. Faith encourages us to look beyond life's challenges and trust in a greater purpose. It reminds us that even in difficult times, there is comfort in prayer, strength in community, and peace in knowing that we are never alone.

As we gather with loved ones, let us remember the true spirit of the season. Let us open our hearts to forgiveness, extend grace to those around us, and seek opportunities to be a blessing to others. The holidays are not measured by the gifts we receive but by the love we share and the faith we carry into the lives of those we encounter.

May this holiday season bring joy to your home, love to your relationships, and renewed faith to your spirit. As we celebrate together, let us embrace the values of compassion, unity, and devotion that make this time of year so meaningful. In doing so, we create a season filled with hope, peace, and goodwill that can inspire us throughout the coming year.

Happy Holiday Season, and may faith, love, and fellowship shine brightly in every heart.

Vivat Jesus!

PANCAKE BREAKFAST

Once again, we had great fun serving our Parish community breakfast on October 18th, I worked the front door this month and it was good to hear all the compliments about how good our food was. Our kitchen crew was a little light this month, thanks to the veterans that carried on and served up a great meal with no waiting. Thanks also to those Knights that saw the volunteer count was light and showed up to assist, that's what makes this Council a joy to be a member of!

Thank you to Brother Lou Kolupa for making the 50/50 drawing so much fun for all the attendees. Not sure if you had a hand in the young lady that won, winning but she was sure happy about it and said she needed it!

Thank you to another Brother, Lou Conetta for making special burritos for the serving Knights! Not sure burritos are Italian and I am guessing the sausage you added was!

INCARNATION BABY BOTTLE DRIVE

The Incarnation Council conducted its annual Baby Bottle Drive to support Sarasota Medical Pregnancy Center during October. Baby Bottles will be distributed at Sunday Masses on Saturday and Sunday, October 3rd and 4th and collected them before Masses on October 17th and 18th. Many thanks to Brother Dan Marias who led the volunteer efforts on both weekends with the help of his wife, Leah.

Jennifer Carey, the SMPC CEO, joined the Council Knights at Sunday morning Masses in greeting parishioners, distributing baby bottles and answered questions about the faith-based, pro-life Center and its efforts that serve one in every three pregnancies in the Sarasota area at no cost to their clients. The Center provides prenatal medical and behavioral health services, social service navigation, and parenting education to women, men and couples up until the babies first birthday.

The volunteer help of the following Brother Knights volunteers and their families in this drive is greatly appreciated: Phil & Nancy

SOCIAL NIGHT DINNER

Our Social Night wasn held Wednesday October 28th, 2026 5:30 PM at **Bonefish Grill** 3971 S. Tamiami Trail Sarasota, FL 34231.

Nancy made arrangements with several of the restaurants we frequent to support some of the charities we favor and Bonefish was one of the first to agree. By dining there and presenting the flyer Bonefish would donate 15% of net sales to the Sarasota Medical Pregnancy Center. We had a great turnout and the restaraunt was full with not just our group but the Sarasota Medical Center staff and all that we passed out the flyers to!

Please enjoy the photos from our last social!

INCARNATION FALL FESTIVAL

On Sunday afternoon 10/25 the incarnation knights came out in force to operate a food stand that everyone who came by loved. Hot dogs, nachos, and treats were sold to the fair goers. We had a great showing of Knights volunteers who came out to man the food both, organized by Chancellor Chis Williams and PGK Bryan Hoskinson.

Our recruiting booth for potential new knights was manned by Brother Tom Hiesey and DGK Damian Ruppert.

The fair was a big success with so many of the parish ministries being represented and the excitement of all the participants was evident throughout the afternoon.
The wind caused some havoc for all the participants but we all persevered.

MASS FOR DECEASED COUNCIL MEMBERS

On Saturday, October 24th a number of your Brother Knights of Columbus were on hand at the 8:30 AM Mass in the Incarnation Chapel to honor the deceased Knights from our Parish and also from nearby St. Michael's Parish.

It is so important that we continue to remember and honor these fallen Brothers, and continue to read out their names so we never forget

those loyal men who have gone before us.

We owe a debt of gratitude to Brother Lou Kolupa, who ceremoniously read each Brother's name during the Intentions part of the Mass. We thank Brother Lou, who remembered many of those men fondly as he read the names.

The Mass was well attended, but it was indeed special that a number of our Knights were there to celebrate our deceased Brothers.

INCARNATION SCHOOL SCIENCE FAIR

On October 1, the Incarnation School held their annual science fair. As in past years, the 15332 Knights were asked to judge some of the more than fifty presentations.. Brother Steve Malecki and DGK Damian Ruppert were the 2 of the 6 judges who interviewed the creators, evaluated and scored the projects..

Pictured is Brother Steve reviewing the hypothesis and conclusion of one of the contestants projects. A great day was had by all as the students picked from an array of subjects and prepared their presentation as part of the science program for the 6th, 7th, and 8th grades,

To show our Knights versatility, at the same time the presentations and judging was happening at the science fair, another Incarnation Knight was working with Vincent DePaul volunteers to fill grocery bags from the food storage cabinets and deliver the bags. to the cars. Brother Patrick Shanahan was photographed doing volunteer work to benefit others in our parish, In all, it was just another day where the Knights participated in and supported our Parish.

FINANCIAL ADVISOR MESSAGE

This time of year, we give thanks for the many blessings in our lives. Like many of you, I became a Knight out of love for my family. I wanted to join other Catholic men in becoming a better man, husband and father. I wanted to

be a better protector of my family.

One way to protect your family is to start thinking about your family's future and how an extended care event could have a large impact. Do you know somebody that has experienced an extended care event – if so, how did that impact their family's situation?

I want to take this opportunity to help you prepare for the possibility that you or your spouse may one day need extended care. November is Long-Term Care Awareness Month.

With that in mind, I would like to share a valuable resource available to you and your family and would encourage you to check this out.

WhatCareCosts gives you access to view the costs of Skilled Nursing Homes, Home Health Aides and Assisted Living Facilities in your area and across the country. This service is available free of charge to all our members regardless of whether or not you hold an insurance policy with Knights of Columbus.

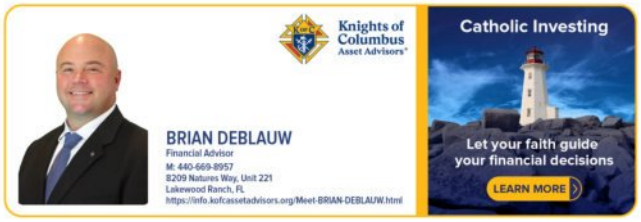

Please Visit the following website www.whatcarecosts.com/KnightsofColumbus and enter sponsor code "KofC" to get started. We want to help families focus on their time with their loved ones – not the financial cost of caring for them.

Lastly, I'd like to remind you of your 2026 Financial Protection Survey and the opportunity to update the Knights of Columbus on your personal financial goals and share any updates you have had over the last year. If you haven't already filled it out, I strongly encourage you to do so.

This year, all survey respondents will be entered into a drawing for a Knights of Columbus RTIC® cooler, with several chances to win!* Please fill out the survey as soon as you can at https://survey.kofc.org. Whether you have questions about the survey or want to talk about setting up an extended care plan, I'm here to help you.

Thank you and God bless you!

BALTIMORE ORIOLES ANNOUNCE 2027 SPRING TRAINING SCHEDULE

For the 16th consecutive year, the St. Thomas More and Incarnation Councils will be working a concession stand together. Spring Training Baseball is the largest fundraiser for both Councils. Last year, the Councils split $34,024.

The Baltimore Orioles just announced their 2027 Spring Training Schedule. The Orioles will play a 15-game schedule at Ed Smith Stadium. The season begins on Friday, February 19th and ends on Friday, March 19th. (See schedule below.) Unfortunately, the game times have not been announced. However, most of them are afternoon games with a few night games.

It takes 14 volunteers to operate the concession stand – an average of seven volunteers from each Council per game. Like last year, volunteers must make a two-game commitment. Volunteers are needed for grill chefs, food preparers, counter servers, draft beer pourers, and cashiers.

Now is a great time to review the schedule and ascertain what games you can work. The game sign-up sheet will be sent out in early December in an email from each Council. Last year, several volunteers stepped forward to work multiple jobs. To provide more staffing flexibility, it would be beneficial if a few more volunteers could step forward to learn multiple jobs, such as working as a grill chef or a cashier. There are Brothers who can train you.

The big question, however, is whether there will be a 2027 Spring Training Season, or even a regular baseball season. The current contract between the owners and the players union ends December 1st. The two sides have been negotiating for months. The biggest sticking point is the owner's push for a salary cap, which the player's union has declared a non-starter. The owners believe a cap is essential for competitive balance and to protect franchise values. The players union want to keep the current open-market model, with earlier free agency and more roster stability. If no deal is reached by December 1st, a lockout could shut down free agency and trades, risking a work stoppage in 2027.

If you have any questions about the upcoming
